*Dear Kate*

Thank you very much for your donation of £625.00 to help our work with children and young people with cancer, raised at the Play Providers Association Awards 2011. Please pass on my thanks to all of those involved.

Every day ten children and young people hear that they have cancer. So your contribution is really important, helping us to continue supporting them and their families.

We are the UK's leading cancer charity for children and young people – from birth to 24 years-old. We're there from the point of diagnosis, helping the whole family cope with the impact of cancer and its treatment, life after treatment and, in some cases, bereavement:

- Our care professionals provide clinical, practical and emotional support
- Our health and social care professionals include nurses, social workers, youth workers and play specialists
- We provide financial help to meet extra costs, free accommodation close to specialist cancer centres for families and holidays in the UK

Thank you so much for supporting children and young people with cancer.

Kindest Regards

*Nichola*
